

**Minutes of the meeting of the Pilton Parish Council held
in the Pilton Village Hall
on Wednesday 2nd October 2019 at 7.30pm**

Present: Councillors Robert Kearle (Chairman)
Lynda Allen
Audrey Brown
Colin Elkin
Stephen Kearle
Joe King
Roger Noble

Karen Buckley (Clerk/RFO)

26 members of the public were present.

1. **CHAIRMAN'S ANNOUNCEMENTS:**

i Mobile phones should be switched to silent.

2. **APOLOGIES:** Andrew Shaw, David Drew

3. **DECLARATIONS OF INTERESTS:** Councillors R Kearle (dispensation approved), declared a prejudicial interest (employment) GFEL. Councillor R Kearle declared an interest in planning application 2019/1019/FUL as members of the Village Trust as did Councillors Brown and Drew.

Councillor Noble declared a personal interest in planning application 2019/2298/FUL. Councillors Allen, Brown, King, and Noble declared a personal interest (ticket).

4. **MINUTES:** of the 4th September 2019 were approved.

5. **MATTERS ARISING:**

i Traffic Matters:

- A361 meeting: Councillor King advised that the full suggested route should be known shortly. Nigel Hewitt-Cooper stated he did not know the proposal but will know more by the next meeting.
- Highways: Clerks Report – See Appendix A
- Whitstone Hill: The road was closed for 5 days. During this time traffic was using Top Street and Bread Street. Should the road ever be closed again then there needs to be better signage directing traffic. Two vehicles were written off by an articulated lorry. This happened only 10 minutes before school finished so it could have been a lot more serious. The road should have been closed at the bottom of the hill giving vehicles the opportunity to turn into the entrance of Red Gate. Nigel Hewitt-Cooper will raise this with Highways, as more than the statutory requirements need to be done. The barriers and signage were inadequate.
- New Defects:
Bad potholes in Perridge Hill.
The road between Burford and West Compton needs attention.

At East Town Farm House, East Town Lane – more damage has been done to the road. A resident advised of four accidents due to speeding in the last few weeks including a car being written off.
 On the West Compton Road towards Friars Oven the potholes are very bad and there is mud and scalplings on the road.

- ii Community Speedwatch:
 - Update: - Councillor King stated that the Speedwatch Team had a week off whilst Whitstone Hill was closed.
 - Truck Count:- There were 675 vehicles counted during an hours session at 2pm, 10% of these were HGV's. There seems to be a reduction in quarry lorries but not a huge one. Nigel Hewitt-Cooper was asked to investigate what percentage of lorries were using the Hinkley Point barge.

- iii Police Report: September Report

Specific reports for... Pilton

Twelve reports received ... Only two reports suitable for Public notification.

12/09 – Neat Lane Junction, Minor Injury RTC. Ladder on top of vehicle collided into side window of another vehicle. Ambulance & Police on scene. No obstruction to Highway.

14/09 – Report of Horse & cart travelling on Whitstone Hill. 21.08 hrs & no lighting to cart. Area tour by Police but cart was not located.

Councillor R Kearle stated that the accident was on the A361 not Neat Lane as stated on the Police Report.

- iv Friars Oven Site: Residents attended the planning meeting, the residents said that it was clear that only one councillor had visited the site before the decision was made. Residents stated that there are 28 people living in West Compton and 11 traveller sites, they felt that another site was unfair to residents and that Councillors are not representing the community.

- v Over 50's Affordable Housing:

- vi Update from Nigel Hewitt-Cooper: See Appendix C

Nigel will arrange for the grit bins to be filled.
 Nigel will chase for an update regarding the Blue School bus service.
 There is no update regarding the Zebra crossing bus Nigel is still pushing for this.
 Nigel will chase for an update for the yellow lines in Shop Lane.
 Thanks was given to Nigel for his continued support.

6. **PLANNING:**

i

Application Number	Proposal	Applicant & Location
--------------------	----------	----------------------

2019/1019/FUL (amendments received)	External alternations to the building to include change of existing double door to single automatic door, change of side door to steel secure door. Installation of an external plant and equipment and cold room. Lowering of existing external patio slabs by 200mm.	Mr S Finaly, c/o Agent Pilton Village Hall At Mary's Lane, Pilton.
No documents were received by Mendip District Council so the application could not be discussed.		
2019/2280/HSE	Erection of 2.4 boundary fencing, installation of replacement 1.m entrance gates and resurfacing the existing access driveway.	Mrs & Mrs Edgley Winding Lake Farm, Pylle Road, Pilton
Pilton Parish Council Recommends: APPROVAL Councillor S Kearle proposed approval, Councillor Noble seconded. The vote was unanimously in favour. Councillor Noble left the meeting.		
2019/2298/FUL	Extension of existing residential development for 20 new residential units including: 4 no. 3 bed houses, 8 no. 2 bed houses, 8 no. 1 bed flats.	Mr Syb Bailey Land North of John Burns Cottages, Neat Lane, Pilton
Pilton Parish Council Recommends: APPROVAL WITH CONDITIONS The entrance needs to have better visibility. The sewage capacity needs to be improved. There needs to be a footpath built to Top Street for pedestrians and for the safety of children catching the school bus. Speed bumps/traffic calming all along the site to slow the traffic where children are playing. 1 letter was received against the application. Councillor Roberts proposed approval, Councillor King seconded. The vote as unanimously carried subject to the conditions above.		

Councillor Noble returned to the meeting.

ii MDC planning decisions and recommendations:

Application Number	Proposal	Location	Decision
2019/1817/TCA	Proposed felling of T1 Japanese laurel in a Conservation Area.	Monks Mill, Weir Lane, Pilton	TPO not required
20019/2282/APP	Application for approval of details reserved by condition 3 (roofing sample panel) on planning consent	Bierhouse, Cumhill Lane, Pilton.	Approval
	2018/2995/FUL		

iii Enforcement: Update re Cock and Bull Drove: the Enforcement Team at MDC are aware that residents are still on site and have referred this back to the courts.

7. **FOOTPATHS:**

i Update: Update from Councillors: Everything has been running smoothly but they now have a fallow period. The footpaths are in a good state. There are two signs, one

If you notice any rubbish that has been fly tipped in or around the village please report it to Mendip District Council at <https://www.mendip.gov.uk/article/7612/Report-Fly-tipping->

There have been a number of reports of speeding in East Town Lane. If you witness this happening please take the registration number of the vehicle and report it to the police.

Remembrance Sunday – November 10th – thank you to Steve Russell-Yarde for organising the road closure. Pete Chetham will be organising the wreath, Councillor Noble agreed to lay the wreath on behalf of the Parish Council and tidy the war memorial. It was agreed by Councillors that they would like to put up the poppies that were purchased last year.

Councillors R Kearle and King advised that they will be attending a confidential briefing regarding the A361 Bypass.

It was reported that there was rubbish at the top of Copse Lane in the ditch. In Bush lane there is soil wood and wire.

12. **GLASTONBURY FESTIVAL:**

- i. Date of the next GFEL/PPC meeting: 15th October 2019 (Items for agenda by 7th October)
- ii Items for further discussion with GFEL at meeting: Councillors agreed that they were happy with the Festival Report and that it could be sent to MDC and Avon & Somerset Police.
Councillor R Kearle asked residents to attend the meeting to raise any concerns they have.

13. **NEXT MEETING:** Parish Council Meeting Wednesday 6th November 2019 at 7.30pm

Meeting closed 9.10pm

- f) The Bridge has now been hit for a third time and the Parish Council think it's in a dangerous state. This has been reported twice previously. SCC advised that this has been passed to the Structures Team in Taunton bridges@somerset.gov.uk. The bridge at Stoodley has been hit for the fourth time. Urgent action is required. The Clerk has chased March 19. Update (March 19) there is now a large section, approx. half a metre wide, which has fallen off completely, exposing the risk of falling through into the stream. **The Bridge at Stoodley has been repaired after it was driven into on numerous occasions. The Clerk has asked Highways for the availability of a 'narrow bridge', 'weak bridge' or 'weight restriction' sign.**
- g) The Clerk was asked to contact SCC regarding a request for 'Stop' signs at Burford. SCC advised that this has been forwarded to the traffic team for consideration. **Not aware of this request, however if you are requesting a stop sign in place of a Give Way, DfT guidance states that new approvals for stop signs are only in exceptional circumstances. It is widely considered that all existing junctions requiring a stop sign would already have one approved. The guidance also states that a stop should only be used where visibility is so restricted that it is essential to stop, and that it cannot be used where visibility can be improved by cutting back a hedge etc.**
- h) Lot of detritus in the drains, a list needs to be compiled of the locations and Councillor King will ask the ASBO's to clear the drains. Ridge Lane into Compton Lane. Noted
- i) Shop Lane and Top Street, an ambulance couldn't get through. Nigel will chase the painting of the double yellow lines. Forwarded to Traffic Section.
- j) The pavement at the bottom of Shop Lane has been damaged since the Water Board was working there. An inspection of the location has been arranged and safety defects identified will be actioned as necessary. Ref 530986.
- k) The weight limit sign at Barrows Hill needs putting back up.
- l) The sign at the top of Compton Lane (no through road) has been knocked over: **Not aware of this request, please could you confirm whether the sign still needs to be erected? Is the sign still there? With Traffic Dept**
- m) Fingerposts - A temporary repair on the one at the top of Copse Lane hill. ASBOs are looking into replacing the other listed damaged ones. **With Traffic Dept**
- n) The plastic chevron road sign on the verge outside the Manor House has been knocked over and people are driving on the verge. **Further location details required.**
- o) A361 the tarmac has broken away outside Fairfield Bungalow. **Reported**
- p) The grass verge has been gouged out to the tarmac at Copse Hill to Pylle Road. This is deemed urgent as will damage a tyre. Ref: 533862
- q) The reflectors need replacing by the Manor House. Ref:533841
- r) Stoodley Hill is pretty rough at moment in places. Ref: 533857
- s) Uneven camber at top of lane going to Perridge Farm. Ref: 533857
- t) On the way to Shepton on the B road, the next turning on left after the West Compton turn, going along the ridges down to Dinder has got dreadfully rough side edges not good for tyres, which I keep getting pushed into by 4 x 4.
- u) There is a rough edge to the road as you go down Neat Lane on the left gully.
- v) At Copse Hill/Copse Lane along Pylle Road the verges need reinstating. This will be brought up at the next GFEL/PPC meeting.
- w) The edges to the road in Stoodley Lane need attention.
- x) On the B136 before Shepton Mallet 150 yards before the railway bridge there is a large sunken drain which is blocked,
- y) The sign and wall at the War Memorial have been damaged due to a car crash, the sign needs re-erecting please.
- z) The verges on Top Street near Oathill Cottages are mud and it's a mess.

- aa) Where cars pull in by The Manor, the verge is in a dreadful state.
- bb) A 20 metre stretch of road on Perridge Hill by Brown Cow Organics has subsided.
- cc) Outside Walnut House the manholes have sunk and are very noisy when vehicles go over them. Just in case no-one else has noticed it, the “temporarily repaired” sunken manhole at the bottom of Lamberts Hill is now as bad, if not worse, than ever. Moreover, drivers are either more aware of it now or can see it better with its new red border and are swerving onto the wrong side of the road to avoid it. Surely even Highways would consider this a safety issue.
- dd) Whilst repairing that one they might also look at another one, also in Lamberts Hill but this time on the southbound side (OS 142 Ref 605,420 approximately).

MEASLES

What is Measles?

Measles is a highly infectious viral illness that can be very unpleasant and sometimes lead to serious complications. Earlier this year the UK lost its measles free status due to the increased number of confirmed cases in the UK and evidence that transmissions of measles had been re-established. This increased number of cases is directly linked to the drop in the number of Children vaccinated, in particular the second dose of the MMR vaccination. Evidence has shown that cases of measles occur in communities where vaccine uptake is low. As measles is highly infectious, even small decline in uptake can have an impact, and anyone who has not received 2 doses of MMR vaccine is at risk. Those people who missed out on getting the vaccine are urged to make an appointment now to get vaccinated. For more information, visit www.nhs.uk/conditions/measles

September saw the opening of applications for school places for 2020. The deadline for secondary school places is 31 October 2019 and for Primary school admissions the deadline is 15 January 2020. SCC encourage everyone to submit three preferences, including their local school as one of those preferences. In recent years, some applications have only included one preference for a non-local school and if demand is high for that single school, it can mean that students and parents have to wait longer for a confirmed placement at a different school, making the experience more stressful. www.somerset.gov.uk/education-and-families/apply-to-start-school

September saw two new schools open their doors in Taunton, the £8.5m Hazelbrook campus at Selworthy Special School and the new

which has taken place for a number of years up until last winter was also reviewed. The conclusion was that on recent occasions the take up of this service was generally low and it did not provide good value for money.

Somerset's Registration Service is ready and waiting for couples wishing to tie the knot through a new 'opposite sex civil partnership' next year. The service would like to hear from couples interested in booking a ceremony in 2020 following the change of Government legislation which will make civil partnerships available to opposite as well as same sex couples. Somerset Registration Service has a large team of professional celebrants who will tailor ceremonies to suit each couple's preferences at over 120 licensed venues. Contact Somerset Registration Service via somersetregistrations@somerset.gov.uk
